Telephone system changes: Effective July 31st, 2018

Effective, July 31st, CPC will be making changes to the inmate telephone system. Please read the below listed changes:

Prepaid phone accounts:

Family and Friends are able to set up prepaid accounts from outside the facility by calling CPC customer service at 1-877-998-5678 or online at www.inmatesales.com. Acceptable forms of payment include major credit and debit cards. Customers with remaining funds on Securus prepaid accounts should contact Securus directly to request potential refunds as we cannot automatically transfer these balances. We would suggest you let your family/ friends know about this prior to July 31st as to eliminate any confusion on their part regarding these changes.

Telephone usage:

All calls will require you to dial 0+Area code and number in order to complete the call. If you don't dial 0 first, the call will not go through.

Call Rates:

Direct Pay, PIN Debit & Calling Cards	Rates
Local Calls	\$0.21/minute
Toll Calls & Long Distance In State	\$0.21/minute
Long Distance Out of State	\$0.21/minute

We apologize for any confusion these changes may cause.

***Taxes on calls and fees for deposits may apply where applicable.**
